 Any donations appreciated

ANZAC DAY SERVICE AT NPPS

Next Tuesday, NPPS will be hosting its own ANZAC DAY Service led by our Grade 6 students.

As part of our service, we will be having a wreath laying ceremony. All school students are invited to bring a small bunch of flowers or foliage to place out the front.

Parents are welcome to attend. Our Service will begin at 2.45pm in the BER.

Lest We Forget

Thank you,
 Fiona Leen
 Music Teacher

 P&F Meeting 2.15 p.m.
 Staffroom

Tuesday 1 May
 School Council

Friday 11 May
 Mothers Day Stall

Principal's Message

Welcome back to Term 2 everyone, I hope that you all enjoyed the holidays. We are certainly looking forward to another great term of learning and working within our school Values of Respect, Responsibility and Resilience. Mrs Linic and Jack will be taking some middle year students [years 3&4] to the Respectful Relationship student session whereby these students become our school ambassadors for the program. More information will follow once they have attended the day which is next Tuesday.

ANZAC Day service

Each year the School Captains and the Principal attend the Johnstone Park ANZAC Day School Service with all of the Geelong Schools – this year for the first time our school will be having an ANZAC Day service for our school community. Parents and Friends are invited to come along to the student led service on Tuesday at 2.45p.m. We will meet at the line pine tree in front of the school for the service. Students are encouraged to bring along a flower to place at the tree during the service.

Play Group

We have our Playgroup beginning on Thursday, 10th May from 1.45 -3.15. Kelly, the Early Years Community Practitioner from Barwon, child, youth and family will be implementing and running this group at our school. This is a pre school group each week and we are really looking forward to having Play Group in our school – if you have a little one, please come along and have fun.

Sunshine Circles will be happening at our school with Kelly - this is a wonderful program for our P/Is about play based activities. Our teachers will also be involved which is terrific and we will keep everyone informed about it.

Talent Show

Our students love the talent show – they may bring along a costume to wear for their segment if they are participating in the Talent Show which is on Wednesday, 2nd May. All children are encouraged to practise in their own time and be mindful of suitable words/themes for the songs, music etc.

Interactive Televisions

This week our staff had some learning about what these amazing devices can do – it is truly incredible what is happening with technology. We are so lucky to have these interactive televisions in our P-3 classrooms and are hoping to raise some money so that we can purchase one for the senior room.

Smoking near school

It has been brought to our attention that some of our community may not know the latest information:

Smoking Laws - Bans on smoking at childcare centres, kindergartens, pre school and schools.

By law, smoking is banned within the grounds of, and within four metres of the entrance to all childcare centres, kindergartens, pre schools and schools.

This means that for that four metres is on the kerb of the road. Please respect and adhere to these laws if this affects you as it impacts on our children and community. Thank you.

Have a great week everyone,
 Julie Warren
