Principal's Message

Camp

The 4-6' s had a fabulous time at camp last week with the giant swing being one of the highlights. A big thankyou to our wonderful staff who attended, Mrs Evans, Miss Wright, Donna, Sommer and Shay our Deakin pre service teacher's. Camps' can't take place unless staff are willing to organise them and attend which means being away from their families, home and routines for which we are most grateful.

Parent Opinion Survey

Many thanks to those parents/ carers who have completed this survey, it is still open so that more people can complete the survey. We would really like more parents/ carers to complete the survey as it gives you the opportunity to provide feedback to us so that we can make adjustments, inclusions or keep doing what we do well. The survey takes about ten minutes of your time and you can pop into the office and use one of the school's computers.

Forests in our Streets

We hope that you all enjoyed receiving a tree yesterday as the children were very happy to take one home from the 'Forests in our Streets' program which was delivered by Jenny who is the Education Officer from Geelong Botanic Gardens and Urban Forest for Schools Program trees.

Extra curricula at NPPS

We have been extremely fortunate to have many extra curricula activities happening across our school that truly benefit our students. Here is a list of some of the amazing things that have been or will happening.

BCYF

Kelly with Sunshine Circles each week

Play Group – fortnightly, starting at 9.00 – Everyone with a pre schooler is welcome – please come along if you can.

The Smith family

Scholarships for students

The Reading Bug [Term 4]

Ardoch

Circus Quirkus

Writer in residence for our Year 4's in term 4.

Life Ed – juniors in Term 4

Scienceworks 4-6 in Term 4

New Preps in 2019 – Book package etc

Song Room

Program with Bec for two terms for every class every Monday

Blue Bird Foundation

Two girls have received funding to go to Street Art classes each week
Major community Project next year

BATFORCE

Transition program

Energy Australia

Volunteers with Breakfast

Volunteers from our community please

If anyone can come in and do some mowing, de cobwebbing, tidying the grounds, please come in and see us at the office.

Pre service Teachers from Deakin

We have had many PST's in our school supporting the students and whilst learning more themselves. The P-3's have had a wonderful program over many weeks from the fourth year students about technology infused writing. It all helps our students to learn and as we all know they love working with someone!

Staff have been really busy and continue to support the learning across all areas of the curriculum – we want our students to know what they are learning and how they can be successful. We need everyone to be able to articulate this so that we know that they are learning!

Have a great week everyone,

Julie Warren

Kelly Club Corner

Welcome back to "Kelly Club Corner"!

Over the last fortnight at Kelly Club NPPS the children have been involved in a number of wonderful activities including: a colouring competition, pirates treasure hunt, football and cooking!

All of the activities that our children do throughout our program are based on ideas they have shared in our "Ideas Book".

These range from cooking, science experiments, indoor games, sport, arts & crafts and discovery activities.
